

International Branch

Non-resident corporate services in Denmark, Finland, Norway and Sweden

If you are a non-resident company with a need for an account in one of the four Nordic countries, you should contact International Branch, which offers a wide range of services, e.g. account opening and international cash management.

Why hold accounts abroad?

As an exporter:

- You gain competitive advantages by enabling your customers to make domestic payments instead of more expensive international payments.
- It is easy for your customers to make payments to you.
- You receive fast electronic account information on incoming payments.
- You reduce your transaction costs by collecting the payments you receive in your account, and only making periodical repatriations.

As an importer:

- You reduce your transaction costs for payments to your suppliers by making domestic payments instead of more expensive international payments.
- Your suppliers reduce their costs by receiving domestic payments instead of more expensive international payments.

Nordea

Nordea's vision is to be the leading Nordic bank, acknowledged for its people, creating superior value for customers and shareholders.

We are making it possible for our customers to reach their goals by providing a wide range of products, services and solutions within banking, asset management and insurance.

Nordea has around 10 million customers, approximately 1,300 branch offices and a leading netbanking position with 4.9 million e-customers.

Benefits

- Fast information
- Reduced costs for payments
- Fewer transfers
- Full control of payments and balances
- Competitive advantages

Payment services

You can easily arrange for establishing the appropriate connection and authorisation between your main bank and Nordea so that you can make payments from your account with us using your existing electronic banking system. Or you may choose to subscribe to our Corporate Netbank to directly manage your balances, payments and collections and thereby receive account and balance information in real time.

Other benefits

As a holder of a current account you have access to our other corporate banking services such as credit cards, electronic services and markets products. We offer you local knowledge of the Nordic and Baltic regions and service concepts tailored for your needs.

How to apply for an account

On nordea.com/cm you will find a list of required documents and an account application form under Accounts in the left-hand menu. When we have received the required documentation, preferably via your local bank, and we have processed your application, we will send you the relevant agreements, including our terms and conditions, for you to sign. When we have received the duly signed documents, your account(s) will become operational.
